

WOT  
VARGEN

3

VEICULO  
LONGO

EDITION

The latest issue of Wot Vargen is all about the long vehicles  
Turn it this way up, sit back in a chair  
and let the trucks wash over you.

My name is Merny. I make pictures of things around me. I have been exploring themes of transport, machinery and vehicles for a while now. Wot Vargen is a series of books documenting my works on this theme.
